Block Placement is an integral and mandatory component of social work curriculum. It comprises of an eight-week pre-employment training programme at the end of the 4th Semester and immediately after the Semester-end Examinations held during April-May. Placement is made in various welfare/development agencies / Industrial establishments. The objective is to give students an opportunity to get on-the-job training and honing of professional skills. It is conducted on a full-time basis. This training provides with more specific learning and intensive work within an organization/industry setting. Students' performance and learning would be evaluated during the Field Work and Viva-voce at the end of the 4th Semester on the basis of the work done and experiences they had during their Block Placement. Any specific assignment provided to the student trainee by the concerned organization will have to be duly completed by the student trainee during the period of placement and a report of the same will have to be submitted to the organization as well as the Department for evaluation indicating satisfactory performance.
