Dear Sir,

Greetings of the day

I have received the sample of Reading Cards designed by the Department of Education, Guru Ghasidas Vishwavidyalaya, Bilaspur.

A careful review of these beautifully designed cards reveals that the concept is very good for helping the elementary learners to develop their vocabulary, language, grammar and simultaneously learning and knowing the meaning of the difficult words with their usage.

I personally appreciate this effort and wish all the best to team behind this innovative move.

Regards
