

Sub: Regarding the data required for student demand ratio in BTech course

In reference to the above subject, a meeting was held with IQAC team on 10-03-2023. Since the student demand ratio in BTech course of all seven engineering branches of our University is not available from JOSAA/CSAB portal, it was decided in the meeting to utilize the 'opening' and 'closing' rank of the students admitted through JOSAA/CSAB as a 'Base' to calculate the student demand ratio in BTech course of our University. Following table gives the 'opening' and 'closing' rank of the students admitted in University in different years:

SN	Year of Admission	Opening Rank (AIR)	Closing Rank (AIR)	No. of participating Institutes
1	2017	33187	849985	97
2	2018	28343	903495	99

Submitted this data for the proposed calculation of the student demand ratio in BTech course of our University.
