A Brief Abstract of the Event (Maximum 500 Words):

Awareness programs on medicinal plant gardening and use conducted at Rigwar gram panchayat on 30.8.2020 in line of preparing villagers to fight against any pandemic and boost their immune system. In this program more than 250 villagers participated and benefitted with the numerous medicinal valued plant species. The resource person Shri Awadhesh Kashyap, Secretary, C.G. traditional healer association delivered the identification and use of medicinal plants. Dr. K K Chandra, Nodal Officer, UBA encouraged villagers for planting of medicinal plants in home garden. Dr. S. K. Sahi, Department of Botany demonstrated about in-house preparation of ayurvedic kadha and its use. Distribution of important medicinal plants such as tulsi, giloe, menthe, moringa, Butch, Stevia etc, were done for establishing medicinal plant garden near villagers home. Dr. Subal Das and other team members of healer association and UBA distributed medicinal plants to the villagers and participants.
