A Brief Abstract of the Event (Maximum 500 Words):

Intellectual property rights are legal rights that provide inventors protection for original works, inventions, or the appearance of products, artistic works, scientific developments etc. The purpose of intellectual property rights is to encourage new innovation, including technology, artwork etc., that might increase economic growth. Intellectual property rights increase the incentives for individuals to continue to produce things that further create job opportunities and new technologies while enabling our world to improve and evolve even faster.

By considering this theme, the workshop on “**Intellectual Property Rights (IPR) - Patent & Designs Process**” has successfully conducted by Department of Civil Engineering, Guru Ghasidas Vishwavidyalaya Bilaspur (C.G.) in association with In Association with RGNIIPM Nagpur (M.H.) under National Intellectual Property Awareness Mission on 09/02/2022. The inauguration of the webinar was started with welcome address by Mr. A. K. Parashar, Head, CED, GGV Bilaspur and special address delivered by Prof. Shailendra Kumar, Registrar GGV Bilaspur. The presidential address has given by Prof. Alok Kumar Chakrawal, Hon’ble Vice Chancellor, GGV Bilaspur. The workshop was started with brief introduction of the resource person Shri Nirmalya Sinha, Jt. Controller of Patents and Design RGNIIPM Nagpur, by Mr. Prakhar Modi, coordinator of the event.

Shri Nirmalya Sinha discussed about brief introduction of IPR and its importance. He explained type of patent i.e. utility, design and so on. Also discuss about drafting and filling process of Indian patent, claims and its type, and specification. He discussed about penetrability criteria, novelty, and industrial applicability of a patent. He also discussed importance of copyright and trademark. At the of the workshop, vote of thanks given by Dr. Kundan Meshram, coordinator of the event.
