14.10.2022	Success story and funding opportunities	Mr Pranav Rajveer, CoFounder, Logicalloops LTD	150

### A Brief Abstract of the Event (Maximum 500 Words):

On 14th October 2022, the Incubation Centre, Guru Ghasidas Vishwavidyalaya, Bilaspur, organised the “Entrepreneurship and Startup Awareness Program” to generate awareness about startup culture and entrepreneurship among the students to create an innovative culture around the campus. This was the first event organized by the Incubation Centre GGV and it went quite splendidly well with the presence of 150+ participants. The event also provided an opportunity to showcase the success stories of two in-house startups from GGV. Mr Abhijit Tripathy, Executive Director of Presear Softwares PVT LTD and Mr Pranav Rajveer, CoFounder, Logicalloops LTD, presented a proven pipeline to take a startup from the ideation to the scaling phase along with a roadmap to fulfil the funding requirements. Dr Amit Khaskalam, member of the Incubation Centre, GGV provided his useful insights to the students to come forward with their ideas and praised the work done by the existing startups to promote the culture. The students were present in large numbers at the event and we experienced a motivated and active audience during the session.
