CERTIFICATE

This is to certify that, Miss. Garima Dewangan has completed the project dissertation entitled as "Determination of Vitamin- C in sample" under my supervision for the partial fulfillment of required degree of "Master of Science in Chemistry". She has worked diligently, methodically and also collected the literature very sincerely. During this project work she has learnt about various aspects of chemical science to the entitled topic.

To the best of our knowledge the work presented in this project is original and has not been submitted anywhere. I recommend the project report to be forwarded to the respective examiners for evaluation. I wish her every success in the future life.
