

Revised

25.07.2013

Minutes of the Board of Studies Biotechnology

The meeting of the Board of studies of Biotechnology was held on 25.07.2013 The agenda of the meeting included

1. Correction of typographical error in course code in course structure for integrated 5 year UG/PG Biotechnology course and/M.Sc. Biotechnology.
2. Any other matter with the permission of the chair.

The following members were present

- | | |
|--------------------------|----------|
| 1. Professor B. N Tiwary | Chairman |
| 2. Professor K L Tiwari | Member |
| 3. Dr. D. K. Parihar | Member |

The Chairman first of all welcomed the members and informed that External member could not be present during the meeting due to short notice. However all of his suggestions have been incorporated in revised format of scheme of Exams and course structure.

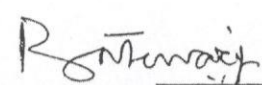

Based on through discussion it was resolved that

1. In UG/PG integrated course structure, the following amendments in scheme of Examination were made.
 - i. In semester II, LBBL 208 was corrected as LBZL 208
 - ii. In semester III, LBZL 308 was corrected as LBBL 308
 - iii. In semester VII/M.Sc. I, LBTC-104 was corrected as LBTM-104
2. In the scheme of examination of V Semester the laboratory course LBTL-505, which is based on LBTC-502 and LBTC-504 was revised based on LBTC-501 and LBTC-503. Similarly, laboratory course LBTL-506, which is based in LBTC-501 and LBTC-503 was revised to be based on LBTC-502 and LBTC-504
3. To clarify the course content of subsidiary papers, the nomenclature of paper was given for LBZS 104 Zoology-I, LBZS 105 Zoology-II, LBZS 203 Zoology-III, LBZS 204 Zoology-IV in semester I and semester II as per followings amendments.
 - i. LBZS 104 Zoology-I revised as LBZS 104 Zoology-I (Lower non-Chordates & Parasitology)
 - ii. LBZS 105 Zoology-II revised as LBZS 105 Zoology-II (Higher Non-chordated and Economic zoology)
 - iii. LBZS 203 Zoology-III revised as LBZS 203 Zoology-III (Chordates)
 - iv. LBZS 204 Zoology-IV revised as LBZS 204 Zoology-IV (Animal Physiology and Developmental Biology)
4. To clarify the course content of subsidiary papers LBBS 303 Botany-I, LBBS 304 Botany-II, LBBS 403 Botany -III, LBBS 404 Botany -IV in semester III and semester IV the followings amendments were made.
 - i. LBBS 303 Botany-I revised as LBBS 303 Botany-I (Plant diversity)
 - ii. LBBS 304 Botany-II revised as LBBS 304 Botany-II (Plant Ecology)
 - iii. LBBS 403 Botany -III revised as LBBS 403 Botany -III (Plant Physiology)
 - iv. LBBS 404 Botany -IV revised as LBBS 404 Botany -IV (Plant Pathology)
5. Some topographical errors were corrected in the content of the syllabus as per suggestion of all members.

The meeting ended with the vote of thanks from the Chair
