

About the University and the Department:

Guru Ghasidas Vishwavidyalaya, started its journey as a state university since 1983, is now a central university in Chhattisgarh established under the Central Universities Act, 2009. It draws about 7000 students from different parts of the country. Apart from the regular academics in the campus, the university has successfully managed to extend its services for the welfare of society.

The Department of Education is committed to bring out the best potentials of its students to develop them as empowered and envisioned leaders of Indian Education. The department possesses a team of able and sensitive teachers striving to promote among the prospective teachers and the teacher educators – a high standard of knowledge, professional skills, cultural understanding, social responsibility and synergistic progress within a truly multicultural educational environment.

ONE-DAY WORKSHOP ON ASSESSMENT TOOLS ON DIGITAL PLATFORM

(Under the Pandit Madan Mohan Malviya National Mission on Teachers and Teaching Scheme)

Concept Note: New educational goals are emerging every day due to the changing need of the society and the advancement of science and technology. Educational institutions in the global world are increasingly using online platform for teaching and learning. It has become important to improve educators' capacity to use online technologies appropriately for both teaching and assessment. In order to create effective learning environment, online assessment need to be aligned with content and pedagogy. Different strategies and tools can be used for online assessment, thereby empowering educators to make informed decisions about how they do assessment on digital platform.

The workshop is intended to create awareness about online assessment tools, to demonstrate and practice online assessment tools, and to enhance capabilities of staff to conduct online assessment among teacher educators and Secondary school teachers.
