

About the University and the Department:

Guru Ghasidas Vishwavidyalaya, started its journey as a state university since 1983, is now a central university in Chhattisgarh established under the Central Universities Act, 2009. It draws about 7000 students from different parts of the country. Apart from the regular academics in the campus, the university has successfully managed to extend its services for the welfare of society.

The Department of Education is committed to bring out the best potentials of its students to develop them as empowered and envisioned leaders of Indian Education. The department possesses a team of able and sensitive teachers striving to promote among the prospective teachers and the teacher educators – a high standard of knowledge, professional skills, cultural understanding, social responsibility and synergistic progress within a truly multicultural educational environment.

ONE-DAY WORKSHOP ON DEVELOPING E-LEARNING MATERIALS

(Under the Pandit Madan Mohan Malviya National Mission on Teachers and Teaching Scheme)

Concept Note: The present digital age has paved the path to connect with the entire world through internet. The strategies and methods of teaching have been shifted from the physical classroom to virtual classroom on the digital platform. Students are grasping information by using smart phones and computers to access the Internet or interacting with friends on social networking sites. With the advancement of technology, digital devices and open access resources have improved educational outcomes. The educators must understand the use of digital content, open educational resources and devices in order to improve teaching and learning process and thus enhance educational opportunities and benefit the learners.

The workshop intends to provide hands-on skills on E-content design and development, the process and steps involved in developing e-learning materials, use of open educational resources, obtaining Creative Commons License.
