FACILITY FOR e-CONTENT

(MASS COMMUNICATION, MEDIA, AND MOOCs (MMM) LAB)

About MMM Lab: The MMM lab is one of the recent e-Content Development initiatives of Guru GhasidasVishwavidyalaya (GGV) with an aim to provide the facility for creation of online educational courses. The lab is equipped with advanced cameras, teleprompter, interactive board, pre and post recording theatre. The lab is also equipped with 20 computers of high end configuration which facilitates the students to get hands on experience the post processing techniques. The lab is situated in the first floor of Cafeteria Building.
