

# Pradhan Mantri Kaushal Vikas Yojana

## The main features of this scheme are;

- i. Training will be done against standards (National Occupational Standards - NOS and Qualification Packs - QPs for specific job roles) formulated by industry-driven bodies, namely the Sector Skills Councils (SSCs).
- ii. Based on assessment of skill demand and the 'Skill Gap Studies', target for skill training would be allocated to sector skill councils by NSDC in consultation with the SSCs, States/UTs and the Central Ministries/Departments under the oversight of the Steering Committee of PMKVY.
- iii. Training providers to focus on improved curricula, better technology enabled pedagogy and upgrading the capacity of instructors to enable the overall ecosystem for high quality skill training in the country. All skill training would include soft skill training, personal grooming, behavioural change for cleanliness, and good work ethics as a part of the training curricula.
- iv. Under PMKVY, trainees with prior experience or skills and competencies will be assessed and they will also be given monetary rewards for undergoing assessments.
- v. **Eligible Beneficiaries-** This Scheme is applicable to any candidate of Indian nationality who:
  - (a) Undergoes a skill development training in an eligible sector by an eligible training provider as defined above.
  - (b) Is certified during the span of one year from the date of launch of the scheme by approved assessment agencies as defined above.
  - (c) Is availing of this monetary award for the first and only time during the operation of this Scheme
- vi. **Reward amount** - Monetary reward for various job roles within a sector varies for different as per job role levels. This amount would be arrived at after taking various factors like cost of training, willingness of trainees for pay and other relevant factors into consideration. Higher incentives will be given to training in manufacturing, construction and plumbing sectors.
