Space Technology and Aeronautical Rocketry

Letter of Recommendation

Date: 30 November 2020

To Whom It May Concern:

We are writing this to recommend **Mr. Kunal Dewangan** for his outstanding performance as a **Design intern** during the **Virtual Training & Internship Program 2020** (from 17 October to 16 November 2020) at **STAR - Space Technology & Aeronautical Rocketry**, and it was a great experience to work with him.

He clearly stood out from the intern's batch, with his confidence and his brilliance in all matters of scientific and logical thinking. He relentlessly followed up explanations with questions, driven by genuine curiosity and a starkly visible thirst for knowledge. His questions revealed a strong ability to make connections between complex concepts of his department.

His enthusiasm and energy were unwavering, and it was refreshing to meet someone so passionate.

We would strongly recommend his candidature for any institution, and emphasize that in him you'd find an exceptional young man.
