Dear Sir,

We are pleased to inform you that your project entitled "**Metal Induced Crystallization of Amorphous Semiconductors Under Swift Heavy Ion Irradiation**" under the UFUP scheme of this Centre has been sanctioned with the following financial approval for a period of three years.

| Year   | Fellowship | Contingency/Consumables | Equipment |
|--------|------------|-------------------------|-----------|
| First  | JRF        | 25,000/-                | Nil       |
| Second | JRF        | 25,000/-                | Nil       |
| Third  | JRF        | 25,000/-                | Nil       |

Your project code no. UFR- 58308 and the same should be quoted in all future correspondences.

The contingency will be inclusive of all consumables. The grant for the first year contingency will be released now. Fellowship grant will be released only after a Project Fellow/JRF is appointed by the University/Institution and the related documents along with the joining report is sent to this office.

Normal UGC guidelines will apply in all circumstances. Travel money would not be released for you but as per AUC decision, you may come to IUAC for experiments, data analysis and research discussions as required and approved by Centre. IUAC will pay your TA (by train) and the local hospitality as per rule.

Annual progress report and provisional utilization certificate duly signed by a competent authority of the university in the standard UGC format must be submitted at the completion of each financial year for enabling us to release the funds for the next financial year. As soon as annual accounts of the university are audited, the final audited utilization certificate should be sent to IUAC and the draft for the unspent grant should be sent in favour of "Inter University Accelerator Centre" payable at New Delhi.

Thanking you,

Yours sincerely,

  
(Dr. S. CHOPRA)  
Convener - AUC
