Report on Student Induction Program 2021

The major objective of the Induction program was to make students aware of the academic aspects of the course and the rules and regulations of CSIT department and Guru Ghasidas Vishwavidyalaya. The Student Induction Program was conducted for First year newly admitted students of MCA and M.Sc(CS) on 21 December , 2021 at 11:00 AM. Students were formally welcomed and introduced to the culture of the campus and University. Dean, H.O.D, teaching faculty members and non teaching faculty members of CSIT department were present in the occasion. The program was started with a welcome speech by Prof. A. K. Saxena, HOD, Department of CSIT, School of Mathematical and Computational Science followed by the faculty members. A brief introduction to the induction program and its objectives was provided by Prof. A. S. Randive. All faculty members informed the students about the rule, regulations, examination process, attendance, sports, cultural activities, student welfare scheme, university website, anti ragging act, various cells of the university, facilities available and motivated the students. Some of the faculty members discussed the importance of positive thinking and attitude which brings optimism in life. An interaction session was carried out among the faculties and students of CSIT department. The faculty members also listed out the infrastructure available in the University and advised the students to set the right path for their future. The program was very meaningful for the students. A total of 64 students and all the faculties of CSIT department were present in the meeting.
