CLAUSE 1 : CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution. The Parties shall keep each other informed about the potential opportunities and shall share all relevant technical educational information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the Engineering & Technology faculty of both parties providing significant inputs to them in developing suitable teaching / skill enhancement systems, keeping in mind the needs of the industry.

CLAUSE 2 : SCOPE OF THE MoU

- 2.1 The budding technicians from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge, without any prejudice to prevailing rules and regulations and without any disregard to any mechanism evolved and approved by the competent authorities of both parties. The areas of cooperation can be extended through mutual consent.
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in the latest technologies used in their institutions and accordingly customize the curriculum of Engineering & Technology so that the students fit into the industrial scenario meaningfully.
- 2.3 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party specifically students of Engineering and Technology on the Wastewater Treatment, Environmental Clearance, EIA & and Monitoring, Water Auditing, and Water Harvesting for the implementation of Environmental law and necessary traveling allowances & remuneration shall be paid by the first party as per rules.
- 2.4 **Faculty Development Programs:** Second Party to train the Faculties of First Party specifically faculty of Engineering and Technology and vice

versa as per the requirements. The mode of training will be in the form of conducting Seminar, Workshops and Guest lectures. The second party would also be providing exposure to the faculty members of the first party.

- 2.5 **Skill Enhancement/Placement Assistance of Students** Second Party will actively engage in delivery of the training need of students of the First Party specifically students of Engineering and Technology in order to bridge the skill gap and make them industry ready. The second party will also provide the necessary support and assistance into internships and placements of students of the first party specifically students of Engineering and Technology. The second party will provide the skill training to the students of first party in the area of Wastewater Treatment, Environmental Clearance, EIA & and Monitoring, Water Auditing, and Water Harvesting for the implementation of Environmental law. The necessary payment should be made by the First Party to Second Party.
- 2.6 Both Parties to obtain all internal approvals, consents, permissions, of whatsoever nature required for offering the programs on the terms specified herein.
- 2.7 The skill training of the students will be organized in various areas as required the First Party for the better employment of the students. The training fees of the students to be decided and mutually agreed upon by the **Guru Ghasidas Vishwavidyalaya, Bilaspur (C.G.)** of first party and the **A2 Environment Consultant, Raipur** of Second party as per norms.
- 2.8 Students can undertake their project work in the area of Wastewater Treatment, Environmental Clearance, EIA & and Monitoring, Water Auditing, and Water Harvesting for the implementation of Environmental law with support of faculties of Second Party.

CLAUSE 3 : VALIDITY

- 3.1 This agreement will be valid until it is expressly terminated by either party on mutually agreed terms, during which period **A2 Environment Consultant, Raipur** the Second Party, as the case may be, will take effective steps for implementation of this MoU. Any act on the part of **A2 Environment Consultant, Raipur** the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MoU.
- 3.2 Both Parties may terminate this MoU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.

CLAUSE 4 : RELATIONSHIP BETWEEN THE PARTIES

4.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MoU as independent contractors, and the relationship established under this MoU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MoU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

First Party

Second Party

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Bilaspur District court.
