Dear Dr. Ratnesh,

Please accept our sincere thanks for the excellent support provided by you as a consultant in organizing and conducting our recent Sports Biomechanics workshops in Dhaka. Your efforts contributed substantially to the quality of the workshop and the effectiveness of the interchange was enhanced by the professionalism displayed through your presentation. We believe this workshop was one of the most productive we have had in the high-level cricket coaching program.

I really appreciate your guidance and the time you spent with us to help us improve the quality of high-performance coaching.

Regards,

Abu Emam Mohammed Kawsar
