and school teachers

130

A Brief Abstract of the Event (Maximum 500 Words):

One day environmental and forest protection awareness program organized at Pudu Government high school on 31.08.2018 as an UBA activities. In this program 130 students and villagers participated. Dr. K. K. Chandra, Nodal Officer of the UBA, GGV highlighted the importance of forest and plants on environmental conservation. The incidence of drought and flood were correlated with the climate change impacts and suggested plantations for every home. Dr. S. K. Sahi, Department of Botany guided participants about the selection of plants for different places and demonstrated the planting techniques, protection measures and watering technology to plants. Dr. D. K. Patel practically demonstrated the plantation methods to students. Dr. Subal das and Ramesh Gohe, UBA team members distributed fruit plants such as Guava, Papaya, Mango, etc. to all the participants for home planting.
