A Brief Abstract of the Event

Skill development programme on “Snake Rescue and awareness” was jointly organized by Department of Zoology and Skill Development Cell, GGV in collaboration with Snake Rescue Society (Team), Bilaspur for all the departments of School of Life Sciences, GGV on 18th August 2017 between 2-5 pm at Rajat Jayanti Auditorium.

The program was started by Dr. Rajesh Bhushan with brief introduction about functioning of Skill Development Cell, GGV for the betterment of students.

Dr. Renu Bhatt, Dean, School of Life Sciences welcome the Chief Guest, his team and participants. She emphasized about societal help of Mr. Kamal Chaudhary, President, Snake Rescue Society (Team), Bilaspur and his team members. Mr. Chaudhary’s team included 16 male and 1 female members as follows:

Mr. Santosh Khandelwal, Mr. Raj Kumar, Mr. Kishore Adwani, Mr. Vimal Haldar, Mr. Dhruvjyoti Majumdar, Mr. Sunil Singh, Mr. Vishal Kori, Mr. Dushyant Sharmad, Mr. Dipanshu Kashyap, Mr. Shubhas Dewangan, Mr. Amar Sahu, Mr. Alok Mishra, Mr. Vaibhav Waghmore, Mr. Shivam, Mr. Hemant Khole and Ms. Gulafsa Nahid.

Mr. Chaudhary and his team provided valuable information through charts and oral presentations along with live specimen of snake brought them for demonstration and identification purpose only.

Mr. Chaudhary provided information about type of venomous and non-venomous snakes, their habitat and identification features, occurrence, biting mechanism, types and composition of snake venom. He also discussed students about various myths present in our society about snake and snake bite. He focused his talk on the identification of venomous snake on the basis of characters appear after biting and also demonstrated that what to do and what do not after snake biting to save the life of victim.

Total 403 students participated from various departments of Life Sciences (Anthropology: 25; Biotechnology: 18; Botany: 19; Chemistry: 19; Forensic sciences: 80 and Zoology 242). During program Dean (School of Life Sciences), Heads, research scholars and nonteaching staff of various departments were present and valuable information.

At the end, certificate of appreciation was handed over to Mr. Kamla Chaudhary, President of the Society by Dr. Monika Bhadauria, Coordinator of the program. Program ended at about 5:30 pm with vote of thanks to HVC, GGV for providing generous consent for organizing such useful activity in the campus and all hands that provide strength and support directly and indirectly for proper running of program.
