

Report on

INSTRUMENTATION AND TECHNIQUES FOR BIOMEDICAL RESEARCH training program

Department of Rural Technology & Skill Development Cell, GGU

Date of Event: 25/08/2019 to 27/08/2019

Venue: Department of Rural Technology and Social Development

Inauguration of Training Program by Dr. Rajesh Bhushan, Nodal Officer, Skill Development Cell, GGU, Dr. P.R. Singh, HoD, Dept. of Rural Technology, Dr. S.K. Nirala, Coordinator & Master Trainer, Dr. Bhaskar Chauarsia

Details of Event Proceedings

Date (DD-MM-YYYY)	Details of the Session	Details of Resource Person	Number of Participants
25-08-2019	Inauguration	Dr. S.K. Nirala	20
26-08-2019	Brief introduction of Instrumentation	Dr. S.K. Nirala	20
27-08-2019	Practical performed	Dr. S.K. Nirala	20

A Brief Abstract of the Event (Maximum 500 Words):

A three days skill development training program from **25/08/2019 to 27/08/2019** on **Instrumentation and Techniques for Biomedical Research Program** was jointly organized by Department of Rural Technology and Social Development and Skill Development Cell, GGU at Department of Rural Technology and Social Development, GGU. In inaugural function of Training Program Dr. Rajesh Bhushan, Nodal Officer, Skill Development Cell, GGU, Dr. P.R. Singh, HoD, Dept. of Rural Technology, Dr. S.K. Nirala, Coordinator & Master Trainer, Dr. Bhaskar Chauarsia, Assistant Professor, Dept. of Rural Technology were present. The training program Instrumentation and Techniques for Biomedical Research Program is a very necessary training to be provided. It is very helpful to the participants to perform the lab work and instrumentation practices without problems. Participants were trained to use different lab instruments and machines such as a homogenizer, centrifuge and some processes were also taught like electrophoresis. Small experiment was also performed using the lab mice. Dr. S.K. Nirala was the coordinator as well as the master trainer of this training program. A total of 20 participants were registered for this training program. Dr. S.K. Nirala gave comprehensive information and demonstration about various instruments to the participants. By attending the 3 days continuous training program on instrumentation and techniques the participants were highly benefited in the further lab work.

Demonstration of laboratory techniques to the participants

Trainees with Dr. Rajesh Bhushan, Nodal Officer, Skill Development Cell, GGU, Dr. P.R. Singh, HoD, Dr. S.K. Nirala, Coordinator & Master Trainer, Dr. Bhaskar Chaurasia after Valedictory function of Training Program
