A Brief Abstract of the Event (Maximum 500 Words):

A two days skill development training program from 26/03/2017 to 27/03/2017 on **WASTE TO INNOVATIVE ART Training Program** was jointly organized by Department of Rural Technology and Social Development and Skill Development Cell, GGU at Department of Rural Technology and Social Development, GGU. Raw materials used for preparation of the products are glass bottles, gloves, color papers, wooden sticks, clay, wool etc. Some very beautiful and innovative products were made like decorated glass bottles, bouquets, different shape from plaster of Paris and lamps. Mr. Sanjeev Bhagat was the coordinator and Mr. Saurabh Ghosh and Aneesha Das were the master trainer of this training program. A total of 43 participants were registered for this training program. Mr. Saurabh Ghosh and Aneesha Das gave comprehensive information and demonstration about various product preparation to the participants.

Making of decorative items from paper

Decoration of waste glass bottle with clay, making of lamp from paper
