Key Skills and Competencies

1. Project Management:

Indulged in the effective functioning of digital Literacy at 90 villages with 29 Internet Saathi of Bilha Block communities of Bilaspur through “Drishtee Foundation”. Project aimed to implementation of a program on focuses on creating awareness among rural communities about internet tools and its solutions of the age group of 14-60 years.

2. Team Building:

Conducting monthly meeting since 6 month with the aim of encouraging diversity, developing empathy, reconciles conflict and motivating the integrity.

3. Problem Solving:

Identified the problem at the field which are faced by “intenet saathi”. I was went there and discussed with communities peoples and share them about our purpose and encourage saathi’s to do this.

4. Stakeholder Management:

With the objective of achieving shared vision of internet education by bridging the gap between digital lack of society, formed 29 Internet Saathi of 90 villages. In the process of choosing Saathi , ensured the participant must be , key influencing personalities of the community and active involvement of their corresponding villages.

5. Data Analysis:

Gathered, compiled and analysed the data of primary research to come up with the effective findings and to develop the insights to understand “Push and Pull Factor for Drop-Out at Elementary Education A Study among Dalit Children in Mopka, Village, Bilaspur, Chhattisgarh” while pursuing the master’s degree.

Work Experience

1. I have five month work experience in the field of TI PROJECT at a position of ORW (out reach worker) cum Community Mobilizer , I worked with IDU (Intravenous Drug User) client/ beneficiaries. In the beginning the trainee social worker is involved in introduction, adjustment and familiarization with the organization project we do mainly six components -Behavior Change Communication, Needle Syringe Exchange, Condom promotion, Opioid Therapy, Community Mobilizing, Referral and Linkage , Keeping these in mind trainee established an intermediate relationship with the client in order to gain trust and confidence. In the volunteering period trainee underwent various activity of *visiting hotspot*, and /other medical linkages providing extreme facilities to the IDU clients; *preparation of IEC charts* (Information Education and Communication charts) for community mobilization, promotion, awareness raising and environment enabling. The experiences I have gained in the field taught me how to adapt according to the changing circumstances. Adding to it I have learnt to integrate my skills for shaping the personality; give up on sensitivity to personal values, beliefs, bias, prejudices, discrimination, stereotypes, and pre-conceived notion as a product of past socialization and adaptability according to the professional cultures.
2. Drishtee Foundation
Bilha Block Supervisor, Covering 90 Villages With 29 Internet Saathi-
 - Involved into mobilize the community about Information technology and Mobile connectivity. Focused individually and group of people to spread the awareness among rural villages.
 - In a scheduled way, conducting meeting with youths and elders, ownership of different stakeholders of communities, in collaboration with 29 Internet Saathi and under coaching of 1 Program Leader, to achieve the shared vision of improving Digital Literacy.
