

Report on Cyber Jagrookta Diwas 06.07.2022

Cyber Jagrookta Diwas, an awareness programme on cyber and digital security was organized in Guru Ghasidas Vishwavidyalaya through virtual mode on 6.7.2022 at 3:00 PM onwards. The lecture by Dr. Sanjay Kumar, Head of the Department, Computer Science, Pt. Ravi Shankar Shukla University, Raipur in YouTube was displayed. He described about the history of cyber crimes that was in 1820 in ABACUS and first reported cyber crime in 1844. Cyber crimes in general happen in the form of harm in reputation or financial loss. In our own country for the very first time in the year 1992 computer virus was detected. He also suggested that cyber security can be maintained at national, institutional and individual level. He also discussed about the guidelines as IT Act 2000 in which for the first time email was considered as legal document and after that in 2008 it was revised further. He talked about different dimensions of cyber security and preventive measures to be taken at institutional level in the form of network security. This program could be successfully conducted in the constant guidance and continuous support of honourable Vice Chancellor Prof. Alok Chakrawal and Registrar Prof. Shailendra Kumar. The coordinator of the committee to observe the CJD, Professor Dr. Amit Saxena presided over the programme on this occasion in the presence of all committee members and audience in the Conference Hall of University. The banners were placed at different prime locations of University to let them know about various precautions to avoid themselves from Cyber Fraud.
