

Bio-Data

1. Name of the faculty : Mrs Neeli Rose Beck
2. Designation : Assistant Professor,
3. Specialization: Pharmacognosy
4. Educational qualification: M Pharma, Pursuing Ph.D.
5. Employment : Assistant professor, SLT Institute of Pharmaceutical Sciences, G.G.V.Bilaspur, C.G.
6. Date of joining : 4 October 2002
7. Employment : Assistant professor, SLT Institute of Pharmaceutical Sciences, G.G.V.Bilaspur,C.G.
8. Teaching experience- 10 years
9. Life member- APTI
10. Contact address : F 44 Riverview Colony, Koni, Bilaspur

Email- nreekkarose@yahoo.com

Cell no -9827994882

11. List of publication

- Ethnopharmacognostical studies of medicinal plants of Jashpur District, Chhattisgarh, International journal of Green Pharmacy p.no 2-3 ,2007, ISSN -0973-8258.
- *Zizyphus jujube* –an overview, A National Research Journal Educational Wave's vol 2, Issue III, July-Sept. 2011, p.no-22-25, ISSN 0975-8771.
- Standardization strategies for herbal drugs –An Overview Research Journal of Pharmacy and Technology, p.no 310-312, 2008 ISSN 0974-3618

- Evaluation of analgesic activity of leaves extracts of *Feronia limonia* in Experimental animal models. Research Journal Pharm and Tech. 4(5) May 2011, p.no-710-713, ISSN 0974-3618.
- Hepatoprotective activity of *Butea monosperma* bark on liver damage caused by paracetamol in Rats. Research Journal Pharm and Tech. 4(5) May 2011, p.no-771-774, ISSN 0974-3618.
- A review on medicinal and pharmacological importance of *Woodfordia fruticosa* Kurz (Lythraceae), an International Multidisciplinary Research Journal, 2012, p no.49-52, ISSN-0973-6352.
- Traditional medicinal plants used by the tribes and rural people of Bilaspur District, Chhattisgarh (India), Research Journal Pharm and Tech. 5(10) October 2012, p.no-1281-1282, ISSN 0974-3618.

12. List of Presentation (National and international)

- Standardization strategies for herbal drugs, national seminar entitle Emerging trends in Pharma research on November 17-18 2006, organized by SLT Institute of Pharmaceutical Sciences, GGV, Bilaspur, C.G.
- Ethnopharmaceutical studies of medicinal plants of Jashpur district, CG, 2nd Chhattisgarh Young Scientist Congress Feb 28-29, 2004, Organized by GGV. Bilaspur,C.G.
