DEPARTMENT OF LIBRARY AND INFORMATION SCIENCE
गुरु घासीदास विश्वविद्यालय बिलासपुर (छ०ग०)

Model Answer
M.L.Isc II Semester (2012-13)
Paper Code : AR-7357
Paper 8th(A): Information Analysis, Repackaging and Consolidation

Q.1   Objective Types

    I   (a)

    II   (d)

    III   (a)

    IV   (b)

    V   (b)

    VI   (c)

    VII   (a)

    VIII   (c)

    IX   (a)

    X   (b)

Q.2   (i)   A sutaible introduction
        (ii)   Definition of Abstract
        (iii)   Its purpose and function and various types in short
        (iv)   Guideline in details covering need steps organization of information etc.
        (v)   Conclusion.

Q.3   (i)   A sutaible Introduction
        (ii)   Need for guidelines
        (iii)   Detail Description of various rules and standard with especial reference to Canons
                given by Documentation Committee of the Indian Standards Institute
        (iv)   Conclusion.

Q.4   (i)   A sutaible introduction
        (ii)   Definational Analysis of the terms information, Consolidation of information, Packaging and
        repackaging.
        (iii)   Aims and objectives of information Repackaging and Consolidation (IRC)
        (iv)   Justification of its necessity in relation to Objectives of institution ; various in to use of
                information; Subject to be covered explosion of information etc.

1

(v)   Summary and Conclusion.

Q.5   (i)   Introduction
        (ii)   Origin and Definition
        (iii)   Needs and Planning for information Centres
        (iv)   Detail description of various types with appropriate examples covering their brief history,
                 area of activities services and product
        (v)   Summary and Conclusion.

Q.6   (i)   Introduction
        (ii)   Definition of Data Centre and Referal Centre with example
        (iii)   Established clear cut difference between Data Centre and Referal Centre covering on the basis
                 of needs,structure, functions and services etc.
        (iv)   Summary and Conclusion

Q.7   (i)   Introduction
        (ii)   Discussed in short the concept of information products
        (iii)   Describe in detail technical digest as information product covering needs and functions;
                 Categories : Planning and Preparation with suitable example.
        (iv)   Summary and Conclusion.

Q.8   (i)   Introduction
        (ii)   Elaborate the term information products
        (iii)   List various information product, Newsletters, Journals, Statistical review, State of the art report
                 etc.
        (iv)   Discussed special features of each type with suitable example.
        (v)   Summary and Conclusion.
