Public Policy In India

Section A

- 1.** Public policy is the means by which a government maintains order or addresses the needs of its citizens through actions defined by its constitution. If this definition sounds vague or confusing, it's likely because a public policy is generally not a tangible thing but rather is a term used to describe a collection of laws, mandates, or regulations established through a political process.
- 2.** "Public relations are a strategic communication process that builds mutually beneficial relationships between organizations and their publics."
- 3.** 2000
