- (a) Define Development Administration.
(b) Write Development Administration
Given by - F. W. Reggs
- Edward Weidner
- Mark Farnsod
- John D. Montgomery
- Chi-yuen.

In brief, Development is a Process of improving the well-being of the people. It is about raising the standard of living of people; improving their education & health, and also opening about out to them new & equal opportunities for a richer & more varied life. Better health - a longer life with less sickness - is a crucial to a better standard living.
