

NATIONAL SCIENCE DAY-2021

NATIONAL SCIENCE DAY-2021

Future of STI: Impacts on Education, Skills and Work

Organised by

**Innovation and IPR Facilitation cell
& MHRD Innovation Club**

Guru Ghasidas Vishwavidyalaya, Bilaspur

In 1928 an Indian Scientist **Sir Chandrasekhara Venkata Raman** discovered a phenomenon known as **Raman Effect** and for his remarkable discovery in 1930 he got Nobel Prize, which was the **first Nobel Prize in India** in the field of Science and to mark this discovery every year National Science Day is celebrated. The theme of 2021 is **Future of STI: Impacts on Education, Skills and Work**.

Innovation and IPR facilitation cell and MHRD Innovation club, GGV, Bilaspur has taken a pioneering initiative to celebrate National Science Day-2021 for great motivation to our University Students to create a positive attitude towards the science for the betterment of life will be held online on 28 February, 2021 at Guru Ghasidas Vishwavidyalaya, Bilaspur.

Its main aim is to provide scientific temper in the minds of students of science field of all age groups. A large number of students gather together and attend National Science Day celebrations with great enthusiasm and participate in the following activities:
