Dr. Pulok Mukharjee, Jadavpur University, Kolkata

ABOUT THE UNIVERSITY

Guru Ghasidas Vishwavidyalaya was established in June 1983 and upgraded as a Central University under Central Universities Act. No. 25 of 2009 on January 15, 2009. The Vishwavidyalaya is situated in socially and economically challenged area and appropriately named to Honour great Satnami Saint Guru Ghasidas (born in 17th Century), who championed the cause of the downtrodden and waged a relentless struggle against all forms of social evils and injustice prevailing in the society. The lush green sprawling main campus of the Vishwavidyalaya is spread over 656 acres of land. The Vishwavidyalaya campus is situated in the north of Bilaspur city on the Bilaspur-Korba road. The Vishwavidyalaya campus is about 12 km away from the Railway Station and about 7 km away from Main Bus stand.

ABOUT THE INSTITUTE

SLT Institute of Pharmaceutical Sciences was established in the year 1997 with an objective to prepare professionally competent manpower in the field of Pharmaceutical Sciences. The Institute has already acquired the mandatory infrastructure and approvals from All India Council for Technical Education (AICTE) and Pharmacy Council of India (PCI). This is the Pioneer Institute in Chhattisgarh State in the field of Pharmacy Education and offers D.Pharm., B.Pharm, M.Pharm. (Pharmaceutics, Pharmaceutical, Chemistry and Pharmacology) courses and Ph D Programmes. The Institute has 34 regular well qualified faculty members and well equipped labs with sophisticated instruments. The Institute has received financial assistance under Special Assistance Programme (SAP) from UGC for upgrading the research facilities. Several Research Projects funded by various agencies are going on at the Institute and numerous research papers have been published by the faculty members in various National and International Journals.

ABOUT THE SEMINAR

This seminar is being organized under UGC-SAP scheme. The main objective of the seminar is to move ahead in the direction of confirming the Ethnopharmacological activities of traditional medicinal plants scientifically. The seminar will provide a platform for interaction among young scholars, teachers, scientist from academia, Baighas and persons from industries. The latest trends highlighting innovative and interesting topics of herbal formulations will be discussed under the main theme of the seminar. The Seminar will cover the following broad areas:

- 1 Ethnopharmacology: Documentation and Standardization of Traditional Medicinal Plants
- 2 Identification, Cultivation, Collection, Storage and commercialization of Medicinal Plants
- 3 Recent Development in Herbal Formulations.
- 4 Exploration of the Herbal Formulation used by Natives
- 5 New Drug Discovery and Development
- 6 Current Trends in Medicinal / Phyto-Chemistry
- 7 Novel Approaches in Drug Delivery

REGISTRATION FORM
UGC Sponsored National Seminar-2012

February 25-26, 2012

Name:

Designation & Qualification:

Date of birth

Name of Organization/ Institute:

.....

Mailing Address:.....

.....
