

**INSTITUTE OF TECHNOLOGY**  
**GURU GHASIDAS VISHWAVIDYALAYA (A CENTRAL UNIVERSITY), BILASPUR (C.G.)**

Guru Ghasidas Vishwavidyalaya (GGV), a Central University, is an active member of the Association of Indian Universities and Association of Commonwealth Universities. The National Assessment and Accreditation Council (NAAC) has accredited the University as 'B'. The Vishwavidyalaya is named after Guru Ghasidas, a sixteenth century satnami saint. University campus is spread over 656 acres of land. Nature has bestowed campus with unmatched beauty, immaculate blend of green areas and water bodies. The university offers opportunities to young minds and facilitates the accomplishment of their creativity talent with emphasis on character building through various streams of knowledge. The University comprises of 32 University Teaching Departments including the Institute of Technology. The University offers a number of undergraduate and postgraduate programmes, besides diploma. To maximize students' potential, the University has been providing excellent support facilities like hostels, cafeteria, gymnasium, amenities centre and Wi-Fi connectivity and also arranging various classes: remedial, spoken English, and free coaching for competitive Examinations for overall personality grooming to face the challenges of contemporary requirements.

The Institute of Technology was established in the year 1997 for promoting the technical education and to provide professionally qualified technical personnel to face competitive and entrepreneurial challenges. With the help of well qualified and experienced faculty, modern teaching aids, rich library, well equipped laboratories, computer facilities, other necessary infrastructure and modern amenities, the Institute is committed to produce career ready graduates who are immediately employable, self-reliant, self-esteemed & ethical to serve the nation.
