

Details of counselling procedure for DIRECT Ph.D Admission for VRET qualified/ VRET exempted category candidates

The admission for direct Ph.D programme in various subjects offered on University Teaching Departments as well as those in recognized Research Centres shall be through Departmental Research Committee of concern subject according to the Merit of VRET qualified candidates and of those declared in VRET exempted category. The Reservation shall be as per the reservation policy of Govt. of India. The counselling date for each subject is as given in the table uploaded on university website. The number of seats available in each subject is given in table 2 (uploaded on university website).

The candidates will be informed separately by individual departments. However, only limited number of candidates depending upon the availability of seats be invited (approximately 03 times the number of seats). Therefore, any candidate, who falls within the merit list and not getting such letter by 28.07.2010 may contact the respective Head of the University Teaching Department. For subjects not offered on University campus, the concern Dean shall be responsible for completing the process of admission.

The available Seats shall be distributed as per the procedure laid down in Research regulation: Approximately 75% from amongst the VRET qualified candidates and 25% from VRET exempted candidates. However, all candidates whose names appear in the VRET exempted list shall be called for counselling. Before counselling, a merit list of all such candidates be prepared on the basis of marks obtained by them in qualifying examinations. Further these candidates will be considered for counselling only after due verification by the Departmental Research Committee(DRC) including all recognized thesis supervisors who shall be invited

as special invitee. In case VRET exempted category candidates are not available, the seats shall be offered to VRET qualified candidates as per merit.

The total number of seats on which reservation for each category shall be worked out is those available for direct Ph.D. (including VRET and VRET exempted) and adding the number of candidates coming from integrated M.Phil / Ph.D. program eligible for seeking admission to Ph.D. (i.e having 60% marks in theory in their M.Phil).

Depending upon the number of seats in each category, roaster shall be followed for both categories (i.e. VRET/ VRET exempted) and candidates invited should be three times that of seats available in each category.

Any category of candidate whose name appear in open category should also be invited separately in his/her category if the name is within the merit list in the category also.

Candidates shall be allotted only Research centres based on the choice of the candidate and his/her name in the merit list. Distribution of thesis supervisor shall be done only after successful completion of course work as per the Ph.D. regulation.
