Prof. (Dr.) Chandan Guha, HoD, Ch.E., Jadavpur University External Member of BoS expressed his inability to attend this meeting unavoidably. During the meeting proceeding itself Prof. C. Guha was briefed telephonically the decisions of this meeting and agreed on the unanimous decisions and he will send putting his signature on the resolutions.

Following resolutions were taken:

1. Keeping in view the CBCS, the syllabi of the subjects of IIIrd and IVth Semester have been studied by all the members and approved.
2. It was resolved for approval of the M.Tech. admission for the non-GATE qualified B.Tech. I class students on merit basis on the vacant seats which may remain after All India basis Central Counseling. The GATE qualified admitted candidates for M.Tech. would get the usual scholarships from AICTE. The Non GATE qualified students admitted by merit in M. Tech. won't be offered any AICTE scholarship, as it is being followed in other NITs. It is recommended for implementation of M.Tech. admission for Non-GATE qualified students also with the preference to be given to GATE qualified, from the coming session itself.

Minutes of Meeting

The scheduled meeting of members of Board of Studies (BOS) was held today (15th May 2018) in the office of the HoD Chemical Engineering to design and discuss the scheme and syllabus of B.Tech. (Chemical Engineering) VII and VIII Semester as per CBCS. Following members were present in the meeting :

1. Prof. S. N. Saha (HoD Chemical Engg. – cum- **Chairman**, BOS)
2. Dr. A. K. Chandrakar (**Member** BOS, Asst. Prof., Dept. of Chemical Engg.)
3. Mr. Neeraj Chandraker (Invited Member, Asst. Prof., Dept. of Chemical Engg.)
4. Mr. Amit Jain (Invited Member, Asst. Prof., Dept. of Chemical Engg.)
5. Mrs. A. N. Joshi (Invited Member, Asst. Prof., Dept. of Chemical Engg.)
6. Mr. G. P. Dewangan (Invited Member, Asst. Prof., Dept. of Chemical Engg.)
7. Mr. V. P. Yadav (Invited Member, Asst. Prof., Dept. of Chemical Engg.)

In this meeting, above mentioned members discussed and proposed the scheme and syllabus of B. Tech. (Chemical Engineering) VII and VIII semester as per CBCS as enclosed 20 pages duly signed by the chairman, member and invited members of the BOS.

By inadvertent mistake subject names of the Practical Courses of VI semester of course codes CH6PPC06 and CH6PPC07 were not mentioned, these subject names are Mass Transfer-II Lab and Process Dynamics and Control Lab, respectively.

Since the member Prof. Chandan Guha (Department of Chemical Engineering, Jadavpur University, Kolkata) could not attend this meeting due to his pre-occupation, as per his suggestion on telephonic conferencing with the members, this scheme and syllabus is being sent to the external BOS member Prof. C. Guha, for his review and formal consent as on today (15th May 2018).

Minutes of Meeting

The scheduled meeting of members of Board of Studies (BOS) was held today (11th September 2018) in the office of Prof. S. N. Saha, Chemical Engineering Department to discuss mainly the VRET 2018 Syllabi, new scheme and syllabi of B.Tech. (Chemical Engineering) I and II Semester. Following members were present in the meeting :

1. Prof. S. N. Saha (Member BOS, Dept. of Chemical Engg.)
2. Dr. A. K. Chandrakar (HoD I/c, Chemical Engg. - cum- Chairman, BOS)
3. Mr. Amit Jain (Invited Member, Asst. Prof., Dept. of Chemical Engg.)
4. Mrs. A. N. Joshi (Invited Member, Asst. Prof., Dept. of Chemical Engg.)
5. Mr. G. P. Dewangan (Invited Member, Asst. Prof., Dept. of Chemical Engg.)
6. Mr. Saurabh Meshram (Invited Member, Asst. Prof., Dept. of Chemical Engg.)

The scheme and syllabi of B. Tech. (Chemical Engineering) I and II semester already approved by the due committee on 31st July 2018 have been vetted and approved by the BOS Chemical Engineering committee.

The committee has discussed and resolved to approve the syllabi of Vishwavidyalaya Research Entrance Test- 2018 (VRET-2018) for Paper-I (Research Methodology) and Paper-II (Chemical Engineering).

In this meeting, above mentioned members discussed and proposed the scheme and syllabus of B. Tech. (Chemical Engineering) I and II semester as per CBCS as enclosed 20 pages duly signed by the chairman, member and invited members of the BOS.

The members have opined and resolved that in the M.Tech. I semester scheme and syllabi Fluidization Engineering subject (Course No. CHPG1103) be read as Advanced Fluidization Engineering.

The matter related to appointment of examiners appears to be too early to recommend presently. At the time of getting the issue matured enough, the policy decision to be taken by the competent body will be deemed to be approved by BOS.

Since the external BOS member Prof. Chandan Guha from Kolkata could not attend this meeting due to his pre-occupation, as per his suggestion on telephonic conferencing with the members, this scheme and syllabus is being sent to him for his review and formal consent.
