Activities under The Institution of Engineers (India) – Students' Chapter, 2025

The Institution of Engineers (India) – Students' Chapter at GGV organized a vibrant and enriching **Event Day** on **9th April 2025**, exclusively for Civil Engineering students. The day was packed with knowledge-sharing sessions, creative learning opportunities, and engaging activities, all designed to enhance technical skills and student participation. The event aimed to promote creativity, teamwork, presentation skills, and environmental responsibility among students. It witnessed enthusiastic participation from faculty members, dignitaries, and students. Chief Guests and Dignitaries: The event was graced by several distinguished guests:

- Prof. Sharad Chandra Shrivastava – Dean, School of Studies in Engineering and Technology, inaugurated the event with motivating remarks.
- Prof. Shailendra Kumar –Dean Student Welfare, outlined the chapter's objectives.
- Prof. M.C. Rao – Head, Department of Civil Engineering, provided vision and support throughout the program.
- Dr. Ashish Kumar Parashar – Coordinator of the IEI Student Chapter, emphasized the objective of the National Education Policy (NEP) 2020, which is to ensure the holistic development of students. He highlighted the importance of active participation in extra-curricular activities as a key component of this vision. He also played a crucial role in managing the event logistics and ensuring effective student engagement.
- Dr. K. Meshram – IEI welcomed all guests and outlined the chapter's objectives.
- Dr. Kapil Kumar Nagwanshi -Expert Guest Speaker, conducted a workshop on enhancing presentation skills.

The event concluded with a tree plantation drive inside the Civil Engineering Department campus. Saplings were planted by dignitaries, faculty, and students to promote green values. This initiative reflected the commitment of engineers toward sustainable development.
